

## LEARNING CENTER 2011-2012

---

August 10, 2011

Dear Parents:

Welcome to the new school year! We are sure this will be a year full of exciting challenges and great rewards. As part of the adaptation process, we encourage you to take the time to set up an appointment with your child's teachers in order to get to know them and inform them of your child's needs. Building a relationship with your child's teachers is a necessary step in the path to a successful school experience.

During the following weeks, we will be reviewing and updating our students' files. If the information contained in the student's file is outdated, the necessary referrals will be made. In order to keep us up to date with the services your child is receiving, we ask that you provide us with the names and contact information of any psychologist, psychiatrist, therapist and/or doctor who is aiding in the process of assisting your child. This will also serve as a database for other parent's who might request referrals for these services.

Finally, we are pleased to announce the addition of a new Learning Center Coordinator, Ms. Liliana Gonzalez. She will be assisting with the process of providing reasonable accommodations and monitoring the student's academic progress and overall well-being in School.

As always, we are available to answer any questions you might have regarding our services. You may contact us by appointment or email us at [gonzalezl@doradoacademy.org](mailto:gonzalezl@doradoacademy.org) and [sgonzalez@doradoacademy.org](mailto:sgonzalez@doradoacademy.org).

Thank you in advance for your cooperation.
